

WINTER WEIGHT SEASON RESTRICTIONS

Minister's Order Pursuant to section 35 of *The Highways and Transportation Act, 1997*,

The Vehicle Weight and Dimension Regulations, 2010, permit heavier weights on public highways during the Winter Weight Season.

The Winter Weight Season is defined in s. 2 (ggg) of the regulations as commencing on November 16 of each year and ending on March 14 of the following year.

Section 2(2) of the regulations states that if the Minister considers it necessary to protect a public highway, the Minister may issue an order under section 35 of the Act restricting the Winter Weight Season for the highways mentioned in the order for the period specified in the order.

Pursuant to section 35 of "*The Highways and Transportation Act, 1997*" it is hereby ordered that effective **12:01 am November 16th, 2011**, Winter Weight Season is not in effect for the following Highways and Rural Municipalities.

Please note that some provincial highways and bridges are subject to special reduced or restricted weights and some are for certain periods of the year, some for certain temperatures. A detailed account of these special restrictions is listed on the last three pages of this Order.

Winter Weight Season is not in effect for the following Highways:

**[Highways marked with an asterisk (*) have a bridge on them that does not allow Winter Weights]
Please see the tables toward the end of this document for further details on special restrictions**

Highways subject to special year round restrictions are signed accordingly. Alternate haul routes (at secondary highway weights) are in place on municipal gravel roads at these locations and are clearly signed. For detailed information, call the local rural municipality or call the Highway Hotline at 306-933-5655. The rural municipality administers and maintains the alternate haul routes. They are also responsible for issuing any overweight permits associated with the alternate haul routes.

The following highway bridges are subject to reduced weights, year round, in accordance with the Vehicle Weight and Dimension Regulations, 2010.
