

Cenovus Energy will be hosting a drop-in open house to share information about their ongoing response to a well release at their Rush Lake 2 facility. The open house is on Thursday, July 10<sup>th</sup> at the RM of Paynton offices, in the gymnasium, between 4:30 p.m. and 7 p.m. Cenovus and third-party experts will be available to answer questions.

Residents of surrounding communities are welcome to come and ask questions of their team.

**When:** July 10, 2025, at 4:30-7:30 p.m.

**Where:** 205-1<sup>st</sup> Street East, Paynton, SK. (RM of Paynton office in the gymnasium)

Cenovus notes you can always call their community phone line at 1-877-697-4480 for current updates or to ask a question and a Cenovus representative will follow up with you.
